PRESS RELEASE: International Day of Peace Special Worship Service

In commemoration of the International Day of Peace and the G-20 Summit being hosted in Pittsburgh, East Liberty Presbyterian Church (ELPC) will be hosting a special “Evening Worship with Taizé Music” on Wednesday, September 23 at 7:00 pm.

For the past ten years, ELPC has provided Wednesday evening services shaped around the liturgy and music of Taizé worship. This ecumenical worship model includes meditative chants, silence, candlelit worship spaces, and extended times for prayer. Taizé worship developed after World War II in an effort to bring together people of faith from different religious backgrounds, and it continues to offer a rich, liturgical option for many worshipers at ELPC’s weekly services.

Embassy officials from the G-20 nations have been invited to send representatives to this special worship service, with a dessert reception to follow afterwards.
